

## ACCLAIM

### 2016 Art Series Cabernet Sauvignon

---

After berry sorting, cold soak and maceration, pumping over three times daily, the wine pumped to French barriques for 12 and 9 months maturation. The Art Series range has a clear family approach to each wine, a focus and sophistication that brings certainty to its long-term maturity. **97 points.**

---

Impressively curated cabernet with cedar and tobacco aromas framing bright red berries, as well as bergamot, black tea, red plums and violets. The palate has a smooth, succulent and elegantly juicy shape and such fine, taut and layered tannins that carry so long and pure. Superb cab with power and elegance. Best from 2024. **94 points.**

---

Wonderfully perfumed with fragrant berries and so much more. On the palate, the fruit still shines but the supple structure gives this a degree of gravitas. **18.6/20.**
