### 2017 Art Series Shiraz

---

“Open and closed fermenters with 20% whole bunches, plunged/pumped over daily, pressed to new and used barrels for a total of 18 months in oak. Deep, bright purple-crimson; after early (10 years) hesitation about the synergy that might be gained from this marriage of wine and place all doubts were comprehensively answered. Lovely medium to full-bodied blackberry and co flavours.” **95 points.**

“Perhaps the best vintage of this wine I’ve yet tasted, the 2017 Art Series Shiraz reveals the progress Leeuwin Estate has made with this grape, which is often neglected in Margaret River. It’s strongly peppery - a reflection of the cool vintage - but that element is balanced by succulent blueberry and intriguing licorice notes. Full-bodied and supple on the mid-palate, it finishes with a touch of tannic backbone and bright, mouthwatering acids.”

**92 points.**

“This has a very vivid core of red plums and mulberries with very nicely fitted oak and spice. The palate has a wrap of sturdy tannin and silky texture at the edges. Fresh, red-fruit flavors hold the finish long. Drink or hold. Screw cap.” **92 points.**

“This may be cooler climate Shiraz, but there is wonderful berry/cherry fruit leaping from the glass. The palate is vibrant and fresh, with supple oak and tannins adding depth and texture. Gets chewy on the close, but the finish remains relatively supple and poised, with excellent length.” **18.3/20 points.**
