

ACCLAIM

2019 Art Series Sauvignon Blanc

“Beautifully fresh fruit aromas with lime and apple notes, leading to a palate that has a crisp, crunchy feel with attractive lemon and tropical-fruit flavors, tightly wrapped together. Drink now. Screw cap.” **93 points.**

Nick Stock, JamesSuckling.com, March 2020

“The grapes were crushed and pressed, the juice cold-settled and cultured yeast added, 40% fermented in French barriques, 60% in tank, blended and bottled after 4 months. It all works well, even if you are more usually no great friend of sauvignon blanc.” **92 points.**
