### 2020 Prelude Vineyards Chardonnay

---

"Leeuwin Estate is renowned for its famous Art Series chardonnay... Leeuwin's next level down is the Prelude, a wine that many wineries would be tickled pink to have as their top chardonnay. A generous vintage has produced this generous wine. It shows the further tweaking of the style, which is somewhere in between the earlier vintages and the brief move into a more contemporary style. It works well with the punchy fruit balanced by fine, minerally acidity and a light layer of oak." **93/100.**
