

ACCLAIM

2020 Rosé

"100% shiraz, some barrel ferment, but largely tank fermented for freshness and fruit purity. Really generous fruit, juicy and bright, both on the nose and palate. The little lick of RS (2g/l) through the finish is balanced and attractive. There is some additional drive, spice and structure from the barrel-fermented component. The fruit speaks of raspberry and pomegranate. Spicy and fine." **93 points.**
